Reminders

- New safety updates for 2025 -
 - Policy 0830 - Safety requirements for body protection vests - wearing a properly fitted (per manufacturer's guidelines) body protection vest meeting the standards and certifications criteria is required when jumping cross country/solid obstacles during any activity sponsored by the USPC, regions, clubs or riding center programs. The update to the policy added the certification criteria for bpv.
 - Policy 0810 - Safety Requirements for Helmets - The change now includes dates and marks for each approved helmet.
 - Peacock Stirrups - No Longer Permitted - neo research and firsthand reports where people (mainly children) have been injured while dismounting. The Board approved the Safety Committee recommendation that peacock stirrups no longer be permitted as there are other safety stirrups available.
- Don't forget to update your insurance information on the national website
- Don't forget incident reports
- Please inventory your club assets and list them on your reporting page on the national website
- Club and Region Dues with or before National membership/renewal
