

Intent to Qualify for Championships

Wow!!! The days are getting longer and it's time to think about your Pony Club Goals for the upcoming season!!

Horse Management is the mainstay of Pony Club, and it is what sets Pony Club apart from every other equestrian organization. Rallies are a fun way to show "what you can do" in a competition format that includes Horse Management.

Championships have been expanded to include new modified divisions (Jr. and Sr.) for every discipline. One of the benefits of this change is that members who are at least 10 years old and a D2 will now be able to compete at Championships in the modified divisions.

Championships are also a wonderful way to meet other Pony Club members from around the country and make new friends!

2022 Championships

WEST: July 1-8 Twin Rivers Ranch – Paso Robles CA

EAST: July 27-31 Tryon International Equestrian Center – Spring Mill NC

Please see our [Regional Website](#) for information and links to Championship Information.

It is also important to read the rulebooks for each discipline and the Championships Competition. Nearly all of the Rulebooks including Horse Management (formerly known as HM Rules for Rallies) have been updated and contain information about Championships including the new modified divisions. Once again, the newly updated Rulebooks are posted on the USPC website.

Finally, a letter of intent is included so that we are better able to plan ways to support members who would like to qualify and compete in Championships. Please encourage your members to take advantage of this fun and exciting opportunity to expand their horizons with Pony Club.
