

APRIL 13-14, 2019 Upper Level Prep with Natalie Shaw

Are you planning to take a National level certification this year? Or maybe just hoping to get some guidance to begin preparing for your certification next year? Maybe you are a C1 looking to take your C2 this year and want some extra feedback. If any of these scenarios sound familiar, then this prep is just for you!

Natalie Shaw, MS PAS, is a graduate "A" Pony Clubber originally from the Big Sky Region. She currently lives in Ellensburg, WA where she is based as an Equine Nutrition Specialist for both Purina Animal Nutrition and Triple Crown Feeds. Natalie has been a National Examiner for over 8 years and has taught Standard and Certification clinics, Upper Level Preps, and conducted certifications across the country. While working full time and attending graduate school, Natalie also managed to train her horse, Stella Dora, through Training level eventing and the pair hopes to be ready for the Preliminary level this season.

As a 2019 Upper Level Candidate, you will get special consideration in the clinic with smaller group sizes and more riding time. Flat work, switch rides, grid work, and show jumping courses will all be addressed with Traditional candidates and Dressage candidates will get specialized lessons, as well. As a renowned public speaker, Natalie specializes in teaching techniques for organizing and presenting discussions at certifications. She will specifically work with each candidate on the language used, their dictation, and the vocabulary needed to most effectively discuss their rides and communicate with the examiners. All other riders will be guaranteed at least two rides with Natalie, as well as individualized coaching on organizing and presenting their discussions to the examiners.
